RULES:

- Exhibitor agrees to abide by all rules, regulations, specifications and requirements set out in the General Rules and Regulations section and any other said rules distributed by Oklahoma State Fair® (OSF) management.
- A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.
- Premiums from the association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the association. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The association does not pay a percentage on premiums offered in championship classes.
- **Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted – only the original certificates issued by the American Angus Association.** Any animal, upon check in, which does not have a legible tattoo corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.
- Any female shown with calf at side; calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check-in.
- Only one person at a time shall lead animals into the show ring.
- Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2; Association Rules; Rule 800 Series; including Rules 800-811. These rules are found at www.angus.org.
- Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificially filling internally. Any animal found to be in violation would be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.
- At any show for which the American Angus Association appropriates funds towards the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in the designated make up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
