A uniquely Oklahoma experience!

STATE FAIR STATION

The CONNECTION

Take a ride on

Be sure to visit OG&E and BancFirst at RESOURCE SQUARE on the Red Line.

WELCOME YOU ABOARD!

CONNECTION SPONSORS

Check the daily schedule posted in the Station for educational demonstrations and various entertainment presented on the green and blue "station platforms." IT'S AN OKLAHOMA SHOWCASE!

This one-of-a-kind exhibit hall will make visitors feel as though they have entered a modern-day transit depot where The CONNECTION runs on three distinctly colored "lines." The red, green and blue lines will transport riders (virtually, that is) to various "stops" where Oklahoma can be experienced through local vendors, homegrown businesses and Made In Oklahoma products.
