**OKLAHOMA STATE FAIR®**
**2012 FOOD VENDOR**

# REQUEST FOR PRODUCT VARIANCE

**Exhibitor Name:** _____

**Customer #:** _____ **Location #:** ALL **Booth #:** ALL

Oklahoma State Fair Food Vendors are required to purchase ALL products from exclusive on-site suppliers. Suppliers provide meat products, produce, all general grocery items, bread and baked goods, all Coca Cola/beer products and related soda/beer merchandise, paper products, ice and related equipment, and propane services. In exceptional situations, if the suppliers are unable to provide an acceptable or comparable product required by the vendor, a variance may be granted to allow for the purchase of that product from an outside source.

---

## List ANY and ALL products for which you are requesting a variance.

***** NOTE: Variances approved in prior years WILL NOT automatically carry forward to 2012. *****

Item(s) MUST be on this list **AND** marked as approved for 2012 in order to be purchased from another source. If a request is made for an item that makes up an exceptionally large volume of vendor's sales, a variance may be granted but could include an additional surcharge calculated on the outside source invoices. (Requests should only be made for extraordinary situations. "Cost Too High" does not qualify - provide details.)
