### Oklahoma State Fair Continues to Review Options

**Oklahoma City** - Just as the worldwide public health crisis has impacted the global economy and our daily lives, so has it affected the Oklahoma State Fair. Never in the 114-year history of “Oklahoma’s Premier Family Attraction” have we dealt with a such a monumental situation. As we look ahead to this year’s State Fair, the health and safety of our guests, staff, vendors and partners remains our utmost priority — we will do everything in our power to help mitigate the spread of COVID-19.

Along these lines, we have a statement to share from Feld Entertainment, the producer of *Disney On Ice* at the Oklahoma State Fair:

“The health and safety of everyone attending our live events, as well as that of our touring personnel, is our top priority during the COVID-19 pandemic. The increasing spread of the virus, expanding restrictions on domestic and international travel, and our adherence to national, state and local governments prohibiting large group gatherings has resulted in the cancellation of *Disney On Ice presents Road Trip Adventures* at the 2020 Oklahoma State Fair.”

While we respect Feld Entertainment’s decision and take this major event cancellation quite seriously, our staff is continuing to work diligently preparing for the 2020 Oklahoma State Fair, scheduled for September 17 through 27. We are in close communication with many partners including other state fairs, national touring acts, state and local officials, as well as public health agencies to monitor the evolving health crisis and stay up-to-date on COVID-19’s presence in both our city and our state.

We realize the continued planning of the 2020 Oklahoma State Fair is subject to ongoing changes in the current environment. As we move cautiously and diligently through this process, we will continue to provide updated information.

Special event announcements and general updates for the 2020 Oklahoma State Fair will be released as information becomes available.
