- While many of the learning centers are indoors, some of the activities are outdoors. Please keep this in mind when dressing for the day.
- Wear comfortable walking shoes and be prepared for inclement weather.

Rain Procedures:

- Academy will take place regardless of rainy weather. Many of the learning centers are indoors.
- If you decide not to attend, please give us a courtesy call to let us know so that we are not standing in the rain waiting for your arrival.
- Should you decide to cancel, the number to call is 405-948-6700; ask to be connected to the Special Programs and Events Manager.

Before You Come:

- Review, then print out, the learning center schedule on the website and Academy Map.
- Review your field trip plans and learning objectives with your class and chaperones.
- Select the lesson plan(s) you want to use and prepare the students as instructed.
- Review and coordinate tour and lunch plans, meeting locations, safety instructions etc.
- Schedule which learning centers you will attend. You should be able to attend multiple Academy learning centers.

“Day of” Preparation for Field Trip:

- Instruct students to find a police officer if they become separated from their group.
- Locate restrooms on the map and become familiar with their locations.
- Assign a chaperone to every four (4) to eight (8) students.
- Make sure each bus driver and each car driver has a special parking permit, directions to OKC Fairgrounds and instructions for unloading and parking. Private vehicles receiving permits should have them visible through the front windshield.
- Collect all the lunches/drinks together, put them in coolers or boxes and make sure all containers have been marked with your identification. Assign chaperones to transport coolers to lunch storage tent.

Arrival and Check-in:

- Make sure your Academy parking permit is clearly visible.
- Follow the Academy signs and proceed to the designated check-in area. (see map)
- An Academy greeter will meet you at your bus. Please have a head count ready.
- If extra persons need gate admission, they will be directed to Gate 5 ticket booths to purchase tickets.
- **Wait to unload the students and lunches off the bus until you are instructed to do so by the volunteer greeter.**
 - If you are arriving by bus, you or your group leader should proceed to the check-in table. (See map).
 - You will receive your special admission passes for your chaperones at the check-in tent once your greeter has your final headcount.
 - While you are checking in, a brief orientation on the bus will be conducted by an “Ag in the Classroom” representative.
 - If your students arrive by private vehicle, you will go directly to the check-in table where a greeter will escort your group to a location for a brief orientation.
- AFTER orientation, collect your personal items, maps and any items you plan to bring with you together and have the entire group disembark and follow the greeter’s instructions.
- Once the entire group is together, and you have given your numbers to the greeter, they will escort your group through the gate and direct you to the Bandshell Lawn and lunch storage tent, no matter if you brought lunches or not.
- All qualifying adult chaperones must have their special admission pass ready to hand to the gate attendant to expedite entry through the gate.
- Special admission passes are only valid when entering with the group.
- Chaperones who arrive late will have to pay to enter.
- Special admission passes may not be used for re-entry to the Fair.

Lunch:

- You are welcome to bring lunches with you to eat at our Academy Lunch Area.
 - The lunch area is in an area that sits away from Fair exhibits. It is an outdoor, grassy area with picnic tables. Bring blankets to sit on if you like. (Put blanket in bag or container with your name clearly marked and store with lunch supplies.)

- Place your group's lunches in a cooler, box or other container.
- Label/mark the container so that you can identify it at lunchtime.
- Your chaperones must transport your lunches to the lunch storage tent.
- The lunch storage tent is **UNATTENDED**. Tables will be set up for you to place your lunches at. Please be aware that others will also be using this area for their lunches as well. Put heavy coolers under the table and boxes/bags on top. Storage space will be available for you lunches until you pick them up. There is no time limit for the lunch storage tent; just do not forget to pick up your items on the way out. **All items left at the end of the day will be discarded.**
