## **NATIONAL RESULTS**

(Oklahoman's highlighted in yellow)

Each year it is our pleasure to present the National Rankings for the past year. Our organization would like to extend our special thanks to the men, women and their families who participated in AUSA Events during our 2017 season. This is the sixth year of our new ranking system that integrates weighting of all regional events, and sanctioned events with partnered Associations.

The fight to defend their title was on as five of the seven weight divisions did not have a changing of the guard. Tennessee's Corey Garrett – Men's Featherweight, Oklahoma's Ryan Stoup – Men's Lightweight, West Virginia's Junior Hostler – Men's Middleweight, Kansas's Shane McLaughlin – Men's Light Heavyweight, and Kansas's Mark Nutsch – Men's Heavyweight held onto their previous year's titles while Kansas's Cheryl Frisbee – Women's Lightweight and Maryland's Jessica Coleman – Women's Open, took home a new title.

This year's events featured participants from a record number of states. The Great Oklahoma Rivalry saw Oklahoma State keep hold of the title for a second year over Oklahoma. For the third year in a row, the outcome was not determined until the final four matches. "Grass roots America" was represented in our exciting events where the fairgoers become the participants.

Our special thanks to the Calaveras County Fair, Medina County Fair, Wilson County Fair, Maryland State Fair, Kansas State Fair, Oklahoma State Fair and the Arizona State Fair. Their management and staff have made our events an annual tradition and have showcased the competitions in colorful and exciting venues.

It is with great pleasure that we present our 2017 AUSA Official National Rankings.

Look forward to seeing you all in 2018.

Warmest Regards,  
Steve Simons
