

OKALHOMA STATE FAIR

2021 Concessionaire Point of Sale Reporting Requirements

Oklahoma State Fair Inc. requires the use of a “Clover”/ Fiserv (formally known as First Data) point of sale device at every concession or pay-to-play location. No other point of sales devices is permitted without the express, written consent of OSF.

EACH LOCATION MUST FILL OUT A REGISTRATION FORM – EVEN IF EXHIBITOR OWNS CLOVER EQUIPMENT. FAILURE TO DO SO BY THE DEADLINE BELOW WILL HAVE AN ADDED FEE OF \$69.95 FOR SHIPPING.

Exhibitors may rent or purchase a device(s) as makes sense for the individual Exhibitor; however, any Exhibitors purchasing/owning these devices MUST adhere to OSF policy which requires the ability to provide reports as requested by OSF and live, real-time access to sales and information by OSF.

Exhibitors who do not follow the required rent or purchase policies will be prohibited from participating in the Oklahoma State Fair.

ALL ORDERS MUST BE PLACED THRU Fiserv (formally known as First Data) **NO LATER THAN JULY15.**

There must be a unique order form for EACH contracted location. Final processing application will be sent to each vendor by August 21. The final agreement will need to be signed before August 25 to avoid any additional processing fees starting at \$100.

What can Clover do?

- Act as the pre-programmed, point of sale device via Wi-Fi (where available) or cellular data (AT&T – most Exhibitors will absolutely need the AT&T card installed).
- Take Credit Cards (see below for charges). Exhibitors have the option to be CASH ONLY. Signs should be posted accordingly.
- Can still work offline if Wi-Fi or cellular service is lost. Note: credit card transactions WILL process when connectivity is re-engaged; however, Exhibitor is responsible for any declined or invalid transactions.
- Provide a multitude of seamless sales and inventory reports useful for the Exhibitor and **required** by Oklahoma State Fair. Clover software can combine sales reports if a location has more than one device in operation. No more manual reporting to be done – speeds up the daily reporting and payment process!
- Provide rental, multi-year leasing or purchase options for use wherever the Exhibitor may operate! Month to month commitment. No early termination fees. No monthly minimums.
