SECTION 4 – OKLAHOMA STATE FAIR GENERAL RULES:

Rule 1: It is the exhibitor's responsibility to be aware of the current membership requirements for each show being entered and to provide the correct and current information with regard to the animal's description, gender and ownership. Failure to provide legible, accurate and current copies of registration papers as required may cause invalid or unacceptable entries and possible forfeiture of entry into the OSF or specific class(es).

Rule 2: At the discretion of show or event management, classes may be combined or cancelled if there are less than three participants for a class. Classes will not be added to the show schedule/roster after the initial date of close of entries. Exhibitors enter their horses based on the specific classes listed and offered herein. Entries will NOT be cancelled or refunded after receipt without official and documented cancellation forms as noted herein. No refunds will be permitted for any entries into the Equine Empowerment Horse Show.

Rule 3: The age of any rider/handler entering any age-restricted class will be computed as of January 1 of the current year unless otherwise specified by the governing breed association or affiliate.

Rule 4: No rider or handler may ride/handle/exhibit/present more than one horse in any class, except in individual work classes such as Trail/Obstacles. In the event of multiple entries in individual work classes, it is the exhibitor's, trainer's or agent's responsibility to insure that the office is aware of the correct rider/handler for each horse prior to the commencement of each class and advise the gate/paddock so entries can be separated if at all possible.

Rule 5: Exhibitors submit entries with the distinct understanding that their horses must be brought to the designated arena for judging at the request of the announcer, event manager or gate person. Any exhibitor refusing, when requested to do so, by a designated official or otherwise disobeying the rules in this Competition Guide will not only forfeit any awards won, but may be required to remove their horses from the show grounds and/or may be barred from further/future exhibition at the Oklahoma State Fair. It is the exhibitor's responsibility to be present and ready to enter the arena for each properly entered and paid class. Classes missed due to lack of attention or preparedness, inadequate entry process or for any other reason cannot be re-run, refunded or substituted. An exhibitor should not rely strictly on gate/class calls or possible announcements on the PA system, and a non-functioning PA system cannot be blamed for missed classes. Riders/handlers/trainers and owners entering the show ring and participating in a class in which said horse is NOT duly and properly entered may result in disqualification and may be subject to penalty and censure by the Oklahoma State Fair. It is the responsibility of the rider/handler/trainer/owner to be aware of each and all classes your horse is properly entered in. Do not enter the arena unless you are sure your horse is/was duly entered in that class with the horse show office. Class entries or changes cannot be processed nor will they be accepted at the gate.

Rule 6: Entry into any of the OSF events/shows automatically authorizes the use of any photographs, videos, audios, cable-casts or other likenesses, procured while in attendance, of any individual or group associated with any equine/animal so entered or involved in competition or exhibition at the Oklahoma State Fair or Oklahoma City Fairgrounds.

EQUINE INFECTIOUS ANEMIA (COGGINS) TEST

OKLAHOMA
Dept. of Agriculture,
Food and Forestry

An equine infectious anemia test is also known as a Coggins test. Equine infectious anemia is a bloodborne viral disease that can affect all equids. There is currently no treatment or vaccine for the disease. Many equine with EIA will be asymptomatic carriers and a source of infection, increasing the importance of testing. To conduct an EIA test, an accredited veterinarian must draw blood from the equine and send it to an approved lab for analysis. Test results are valid for twelve months from the date of the blood draw.

As regulated by Oklahoma Administrative Code, a negative EIA test is required in the following instances:

Change of Ownership

All test eligible Equidae sold, bartered, traded, or offered for sale within Oklahoma shall be accompanied by a record of a negative official test for EIA. The seller shall be solely responsible for meeting the EIA testing requirements prior to the sale.

Mingling of Equine

All Equidae mingling in common spaces, such as boarding or training facilities, shall be accompanied by a record of a negative official test for EIA.

Equine Exhibitions

All Equidae moving within the state to equine exhibitions, including but not limited to, fairs, livestock shows, breed association shows, rodeos, racetracks, or other equine gatherings shall be accompanied by a record of a negative official test for EIA.
