Oklahoma Student Art Exhibition

2024 COMPETITION GUIDE

Overview: The Oklahoma Student Art Exhibition (OSAE) is FREE to enter and open to all Pre-K thru Grade 12 schools across Oklahoma. See Page 3 for rules and guidelines. OSAE is divided into three (3) divisions:

Elementary

Jr. High/Middle School

High School

Developmentally Challenged Category: OSAE offers a section for developmentally challenged students. Each teacher may submit up to five (5) pieces. All artwork submitted in this section will be eligible for awards. These pieces will be in addition to the twenty (20) pieces allowed for each teacher and will be included in the count of merit awards.

Judging: Distinguished jurors carefully inspect each piece, then select artwork for display during the Oklahoma State Fair. From these selected pieces, some are given Merit, Exceptional Merit, Best of Show, Judges Choice and Superintendent's Choice awards during state level judging. All artwork selected for OSAE will be displayed during the Oklahoma State Fair.

\$7,300 in Awards to School Art Programs!

Awards: \$3,400 in Hobby Lobby Gift Cards and \$3,900 in cash will be presented to schools. See Page 5 for complete award details.

Registration: **ONLY TEACHERS MAY REGISTER ARTWORK.**

Attention Teachers: If you have student art in the show and are interested in helping set up the show in September, please contact Sarah Carnes at 405-806-0567 or Michelle Barnes at 405-999-3553. OSF appreciates and thanks the OAEA for their time and dedication it takes to display 1,000 pieces of art. "Many hands make light work."

Rules and Guidelines

Please read carefully!

Eligibility: Open to any Pre-K thru Grade 12, public or private, Oklahoma school.

Divisions: When registering, indicate if your school is an **elementary, jr. high/middle school or high school**. If you teach at multiple schools, please create separate registrations for EACH school within your account. **Do not create separate exhibitor accounts**. If there are different levels within your school, please create a separate school listing for each (i.e., Washington Elementary School and Washington Middle School).

Entry Limit: Per school, each art teacher may register up to twenty (20) pieces of art plus an additional one (1) to five (5) pieces in the Developmentally Challenged category for a total of twenty five (25). Digital images are not required. **NOTE:** *Each student may submit only one (1) piece of art but may also be involved in a group project and/or the Ribbon Recycle Challenge*. Ribbon Recycle Challenge pieces must be registered. Pieces may not exceed 30", in any direction, and we must be able to rotate the piece for transport. Be sure to review the Ribbon Recycle Challenge guidelines on the Oklahoma State Fair website.

Delivery Procedure: All work must be hand-delivered to the designated district take-in site. Please check with other teachers in your area for help in transporting entries for more than one (1) school. Each entry (individual piece of artwork) must have the OSAE entry label **attached to the back or underside** of the artwork or display board. If you see an option during online registration that asks if you wish to print labels, **ignore this request**, as they are not the labels you need. **We will email your full set of labels** following receipt of your registration. The attachment of the label on the back should be positioned in a way that indicates the "up" direction. Inventory sheets and artwork entry labels will be sent to the email listed on your registration.

Originality: All entries must be original and created solely by the student. Teachers are encouraged to select high quality work that is original, creative and representative of the child's age level and learning skills. **Work should not use trademarked images/logos and nude art is not permitted.**

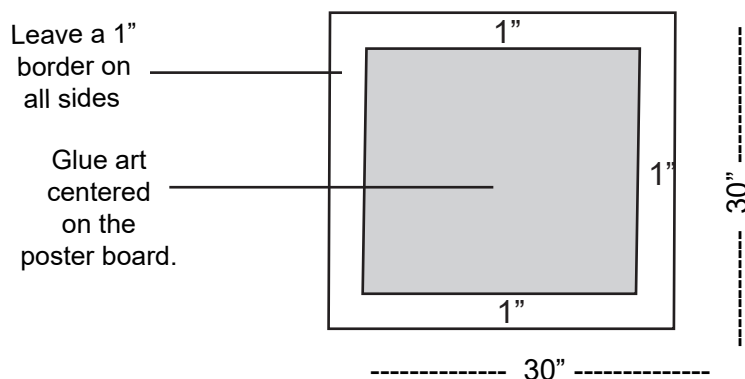

Group Submissions: Group art submissions must be the work of at least two (2) students and be entered under the age of the oldest student. The group number should be listed under "name" during registration. Please list group submissions as Group 1, Group 2, etc., do not list individual student names. **NOTE:** If a group project receives a merit award, one (1) student must be designated to attend the Awards Ceremony and accept the ribbon on behalf of the group.

Medium: All mediums will be accepted for jury. If you are submitting a mask or any other 3-dimensional hanging piece, please make sure it is **READY TO HANG**. Hobby kits, models, paint by numbers, edible and reproductions of any sort will not be accepted. **Teachers, please specify the medium from the list provided.**

Size: All artwork, including backing, may not exceed 30" in any direction.

Backing: In order to preserve the integrity of the artwork being submitted, it must be in ready condition to attach to the walls. This will require a 1" border **around** the art to allow us to add the label and staple the piece to the wall without damaging the artwork. Poster board is best, and white is the preferred color, but you are not required to re-mount if it is on another color. If your art is on a stretched canvas or canvas board, it does not need a border. **Note: absolutely no art will be accepted in frames or with mat boards.**

Reclaim of Art: Teachers can have someone else pick up their art if they have a written note signed by them or they have emailed the Creative Programs Manager **by noon** the Friday of pickup weekend. Reclaim after judging is held in the same location as drop off, while reclaim after the display is at OKC Fairgrounds the weekend after the Oklahoma State Fair.

PLEASE do not use mat board as it is too thick to hang. You may add an additional border color next to the art, but you must leave a 1" border area for the label, without exceeding the 30" maximum.

IMPORTANT: Place the art labels on the back in a way that indicates the "up" direction of the artwork. Please attach the art to the backing securely. A glue stick is not sufficient.
