Any concessions that need more than (1) 100# bottle, will be required to set a 420lb tank (100 gallons). **NO Exceptions!!!** It will be filled at the bulk rate and be on a metered ticket. **There will be a refund on gas left in these tanks only!** We will determine the refunded amount based upon the percentage gauge.

Our trucks are allowed inside the gates from 7:00am to 10:00am only. No Exceptions!!!
 We will be servicing the RV Park after we finish inside, or after 10:00am, whichever comes first. You may contact our office by telephone and they will alert the fairgrounds filling personnel. Our personnel **MUST** approve bottles before they are filled. This is for your safety. **There are no refunds on gas left in any bottles.**

All legal and safety precautions shall be met before receiving any LP gas service. A line pressure test may be performed on all systems that we make connection to the LP gas bottle or tank at our discretion. All regulators that are 15 years or older must be replaced at your expense, before LP service can be provided.

Bottle deposits are fully refundable for bottles picked up in satisfactory condition. There are no deposits on 420lb., 250 & 500 gallon tanks. A delivery charge will be assessed for these bulk tanks.

Should any problems arise, you can call any time at 405-235-8401 to leave a message and a service person will be contacted; or you can call Tommy Russell for any support at 405-520-2760. Service calls after 10:00 am will be an extra service charge of \$50.00 and after 5:00 pm the charge is \$90.00 in addition to regular hourly rates and fuel changes.
