Willkommen to the Fest Tent at the Oklahoma State Fair!

Oktoberfest is an annual festival in Munich, Germany that originated in October 1810 in celebration of the marriage of the Crown Prince Ludwig of Bavaria to Princess Therese von Sachsen-Hildburghausen. The rich heritage of this festival has been celebrated all over the world ever since.

With one in six Oklahomans being of German heritage, the Oklahoma State Fair, along with Mike and Sammie Turek (of Old Germany Restaurant fame), is bringing that authentic German festival atmosphere right here to Oklahoma City.

Come inside and experience the fun, cozy, and festive atmosphere (in Germany, known as “Gemütlichkeit”) when friends and family gather for the flavor of the original Oktoberfest. We welcome you with German beer daily and music acts Das Ist Lustig, Auf Geht’s, and The Happy Hour Oktoberfest Band (all the way from Munich) on select days. When the dancing and contests make you hungry, step next door to Harvell Concessions for bratwurst with sauerkraut and some German potato salad.

If you have fun in our Fest Tent during the Fair, we hope you join us for an even bigger celebration during
