

HEALTH & SANITARY REGULATIONS

OVERVIEW

1. The State Board of Agriculture provided the following rules and regulations to the Fair. These rules will govern admission of livestock/equine at the OSF.
2. An official of the Animal Industry Division, Oklahoma Department of Agriculture, Food and Forestry, will be present during livestock/equine entry/arrival times and will check all Certificates of Veterinary Inspection (CVI) required under the following regulations.
3. The Animal Industry Division, Oklahoma Department of Agriculture, Food and Forestry, must validate all Certificates of Veterinary Inspection before animals are given stall or pen space in the barns.
4. An official Certificate of Veterinary Inspection (CVI) must accompany all show animals, except poultry can instead of a 9-3 form (see "Poultry" below). The official CVI or 9-3 form must be issued within 30 days of arrival and shall be available at all times to the representatives of the Animal Industry Division.
5. All out-of-state livestock, including domesticated poultry, birds and rabbits must meet Oklahoma's import requirements. Import requirements may be obtained by going to Animal Industry State Veterinarian – ODAFF (ag.ok.gov) and scrolling down to the link to the Animal Movement and Importation section.
6. All animals must be free of infectious, communicable, or contagious diseases and if such disease is found, it will be cause for removal of the animal(s) from exhibition.

CATTLE

1. Cattle must be accompanied by an official Certificate of Veterinary Inspection, issued within 30 days of arrival that shows complete description of livestock as to age, sex, breed, and individual identification, such as tattoo or ear tag. Cattle from out-of-state are required to have an official USDA identification tag as required by the Federal Animal Disease Traceability rule.
2. No tuberculosis (TB) test is required for beef or dairy cattle from Oklahoma.
3. **Out-of-state BEEF breeds:** Must originate from a TB free state, a TB Accredited Free Herd or must be TB test negative within 60 days of arrival at the show if over 6 months of age.
 - a. **Areas not Tuberculosis Free as of June 1, 2024 are the Michigan counties of Montmorency, Alpena, Oscoda, and Alcona.**
4. **Out-of-state DAIRY breeds:** Must originate from a TB free state, a TB Accredited Free Herd or must be TB test negative within 60 days of arrival at the show if over 6 months of age.
 - a. **Areas not Tuberculosis Free as of June 1, 2024 are the Michigan counties of Montmorency, Alpena, Oscoda, and Alcona.**
5. Any sexually intact dairy animal 6 months of age or older changing ownership within the state of Oklahoma is required to have a negative TB test within 60 days before change of ownership.

SHEEP and GOATS

1. Must be accompanied by an official Certificate of Veterinary Inspection. The CVI must include a statement indicating the animal to have been inspected and found free of scabies and other external parasites.
2. All sheep and goats must be individually identified with one of the following:
 - a. Official USDA ear tag
 - b. Official breed registry tattoo or microchip, (only if the animal is accompanied by a registration certificate).

ILLEGIBLE TATTOOS WILL BE CONSIDERED AS NO IDENTIFICATION.

LLAMAS and ALPACAS

1. Each animal must be accompanied by an individual Certificate of Veterinary Inspection (CVI), stating that the animal is free of infections and contagious disease within 30 days before arrival at the show.

SWINE

1. Must be accompanied by an official Certificate of Veterinary Inspection, (CVI), processed and issued within 30 days of arrival, that shows official individual identification by an 840 electronic tag, and complete description of livestock as to age, sex, and breed. **All swine must have a premises ID listed on the CVI.**
2. **In-state swine** must have a negative test for Brucellosis and Pseudorabies after **May 15, 2024** or be from a Validated Brucellosis/Qualified Pseudorabies Free Herd and be exhibited by the owners and/or immediate family members. The last quarterly test date (July test) must be listed on the CVI.
 - a. **Breeding gilts** should be quarantined and retested 30 days after the show before being commingled with other breeding swine.
3. **Out-of-state swine** must have a CVI, an entry permit, proof of negative test for Brucellosis and Pseudorabies within 30 days of entry to the show or be from a Validated/Qualified Herd with verification of the last quarterly test within 3 months and be identified with an official individual USDA Ear Tag.

DOGS

1. Must be accompanied by an official Certificate of Veterinary Inspection.
2. All dogs over 3 months of age must have been officially vaccinated against rabies within 12 months of arrival.
3. All dogs must have been vaccinated against distemper, hepatitis, leptospirosis, and parvovirus within the previous 12 months.

EQUINE

1. All horses and other equine must be accompanied by a Certificate of Veterinary Inspection or valid Extended Equine Certificate of Veterinary inspection showing age, breed, sex, and markings to positively identify the animals, including all vaccinations, date, and result of required tests, and issued within 30 days of arrival and an official document verifying a negative test for Equine Infectious Anemia showing a test date within 12 months prior to exhibition.
2. Nursing foals less than 6 months of age, accompanied by their negative tested and documented dams, are exempt from test requirements.
3. The laboratory conducting the test must be approved by APHIS, USDA. Both aforementioned documents must clearly identify the animal(s) listed and be presented upon arrival before the animals can be admitted to the grounds or unloaded from the transport vehicles.

POULTRY

1. Either be NPIP certified and have a 9-3 Form less than 30 days prior to the show **OR**
2. Have a negative PT test (9-3 Form) less than 90 days prior to show and have a permanent leg or wing band and a Certificate of Veterinarian Inspection (CVI) less than 30 days prior to the show date.

IMPORTANT REMINDER

For the most current information, call 405-522-6141 or access the State Veterinarian's website at www.ag.ok.gov/Divisions/Animal-Industry-State-Veterinarian and scroll down to the "Animal Movement and Importation" section.

All animals must be accompanied with a CVI (except poultry) and all other required documentation mentioned above or they **will not** be allowed to enter the fairgrounds.
