

OK!LAHOMA
STATE FAIR

ACCESSIBILITY GUIDE

2026

This guide is intended to provide useful information about services and activities for guests with a variety of needs during the Oklahoma State Fair.

PARKING

There are acres and acres of free and paid parking. Paid parking is \$15, no come and go, and is **100% CASHLESS!** A 2% processing fee will be added to each transaction. The best FREE ADA parking is located at Gate 6 off Reno Avenue / Del Mar Gardens. Just show a valid placard or license plate to the parking attendant and skip the paid parking fee to park in this lot while spaces are available. See map on back cover for locations.

RENTALS

Privately owned, electric “single rider,” mobility scooters or wheelchairs are welcome. Those who prefer to rent these items can do so from Vista Mobility. Reservations are encouraged at vistamobility.net. Three locations will operate during the State Fair: on The Circle near Gate 2, on the southwest side of the OG&E Coliseum near Gate 6, and behind the Oklahoma Expo Hall near Gate 9.

RESTROOMS & MOMENTUM REFRESH

OKC Fair Park has family restrooms located in many buildings and adult changing stations inside the OG&E Coliseum (for ticketed event patrons), the main lobby of the Bennett Event Center, and in the men’s and women’s restrooms at the Bandshell Stage. In addition to these four permanent locations, the Oklahoma State Fair partners with the Developmental Disabilities Council of Oklahoma to bring **Momentum Refresh**, a fully accessible, staffed, mobile restroom to the event. Located on The Circle, in front of the Modern Living Building, it is manned by trained personnel who will assist guests and clean between visits. In addition to the fully adjustable and accessible restroom equipment developed for both children and adults, this vehicle will have dedicated space for families who need a place for calming or nursing.

Developmental Disabilities
Council of Oklahoma

"This project is provided and funded by the Developmental Disabilities Council of Oklahoma, supported in part by a grant from the U.S. Administration for Community Living, Department of Health and Human Services, Washington D.C. 20201. Grantees undertaking projects with government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinion do not, therefore, necessarily represent official ACL policy."

CALMING SPACES

Three unique locations will be available during this year’s Fair: the Arts Annex, Momentum Refresh, and near Gate 9. These spaces are available for guests who need a break from the hustle and bustle of the Fair, such as those on the autism spectrum or who have sensory processing challenges.

Calming spaces operated with the
assistance of our Sponsor:

NURSING SPACES

Families who need this space can find a room in the lobby of the Bennett Event Center or at the Momentum Refresh Trailer.

PRIORITY SEATING REST STOPS

There are a multitude of seating options for resting, eating, and watching entertainment throughout the grounds. Additionally, Accessibility Priority Seating Rest Stops have been created for individuals who need to sit for a bit as they make their way around the grounds. Each of these four locations will have benches and large, multi-color umbrellas marking the spots. Signage at these short-term rest stops will be visible, reminding everyone of the purpose.

SAFETY and LOST & FOUND

Emergency and security personnel can be found roaming throughout the grounds. Anyone needing assistance for security or medical purposes can request aid by visiting one of the InFAIRmation locations or making their way to the Safety Center located in the west end of the Administration Building on General Pershing Blvd. Additionally, if separated from their group, lost persons will be escorted to the Safety Center by official State Fair security to be reunited with their party. Lost items can be found there as well. To aid in the reunification of group members, fairgoers are encouraged to get a FREE Project Reunite armband from one of the InFAIRmation booths upon arrival to the fair. This band will assist security personnel in getting family and friends back together even faster.

OG&E COLISEUM EVENTS

Visitors can expect the best from this new venue. It will be open for guests with tickets to Disney On Ice, Ultimate Bull Fighting, and the Wildcatters vs. The World events. A family restroom with adult-size changing equipment is in the building. A variety of ADA seating areas are available, depending on the specific event. To buy tickets in one of these areas, contact the OKC Fair Park Box Office directly at 405-948-6800.

SENIOR DAY and SENIOR DAY SHUTTLE

Wednesday, September 23

A long-time staple of the State Fair, Senior Day welcomes those 55 and older (I.D. may be required) with FREE outside gate admission and \$5 America 250 Wheel rides.

Once again, and ONLY ON SENIOR DAY, the Oklahoma State Fair and EMBARK will provide a senior shuttle from Hurricane Harbor on Reno Avenue straight to State Fair Gate 3 and back again at **no charge**. Parking spaces at Hurricane Harbor are limited, so this free shuttle is first come, first served. The first bus leaves Hurricane Harbor at 9 a.m., and the last bus leaves the State Fair at 10 p.m. Buses will run every 15 minutes as traffic and crowds allow.

SENSORY-FRIENDLY TIME AND ACCESSIBILITY EXPO

Sunday, September 20

10 a.m. – 2 p.m.

Sensory-Friendly Time will feature special activities and ways for guests to enjoy their visit in a less noisy and less bright atmosphere. An informational guide and a social narrative are available on the State Fair's website under "accessibility."

Noon – 5 p.m.

Oklahoma State Fair and Square Holes are proud to present the second annual Accessibility EXPO at the Oklahoma State Fair. Located in the Modern Living Building, it will be a celebration of inclusion, innovation, and community. This exciting event brings together organizations, artists, vendors, and advocates working to support and empower disabled Oklahomans and their families. The public is welcome at the EXPO – attendance is free with Fair admission.

Information is subject to change without notice.
